

Looking for increased participation in your association?

Look to involve the following suggested community members-

Neighborhood Engagement Team

Businesses

Support your local businesses by organizing your next meeting at your neighborhood eatery. And reach out to larger corporations to help sponsor your next neighborhood project.

Renters

Don't forget to be inclusive of renters in your neighborhood...a sense of belonging will get them involved as they may become the next generation of homeowners

Schools

Many young people are looking for ways to improve the world around them, what better way than to recruit their help with a neighborhood project

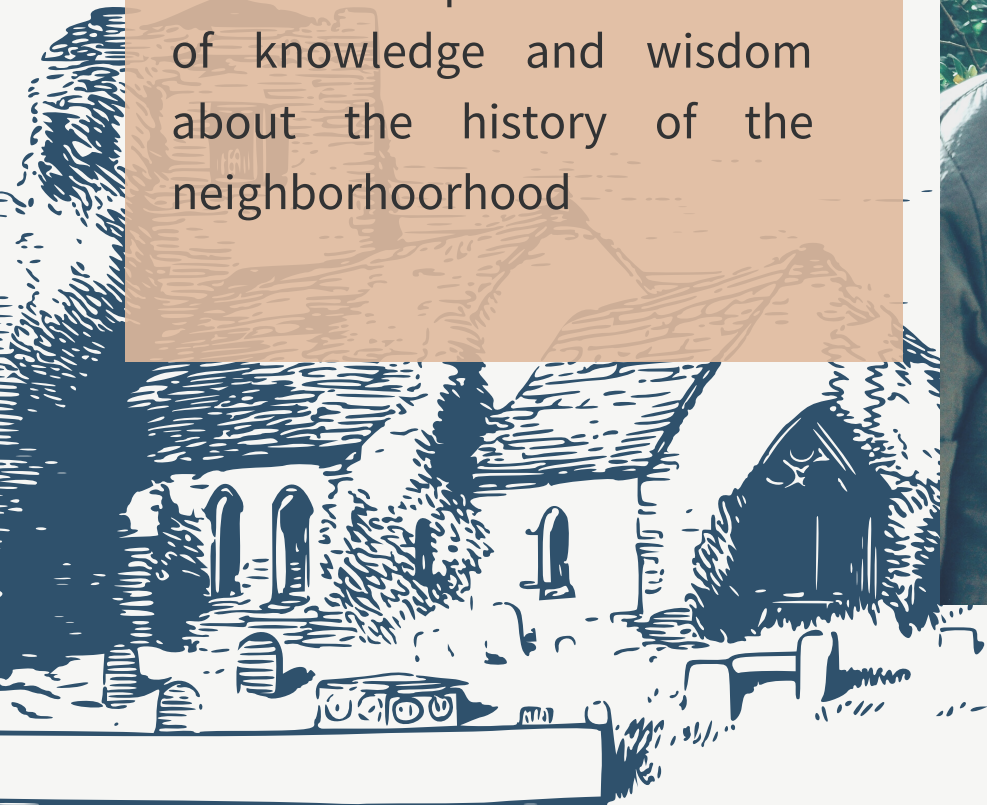

Faith-based organizations

Reaching out to faith-based organizations is a great way to look for opportunities to volunteer and give back to the community, such as food distributions and project improvement campaigns

Senior Centers

Seniors can provide a wealth of knowledge and wisdom about the history of the neighborhood
